Tej Mahindran

Subject : Industrial / Project Training

Dear Sir / Madam,

Panipat Institute of Engineering & Technology (PIET) is an Educational Conglomerate, located on NH-1, approximately 40 kms from Delhi on Delhi-Karnal highway. It has been adjudged as **Best Engineering College** and awarded for **Academic Excellence & Best Placements** in the region. The courses, being offered are Diploma, BBA, BCA, B.Tech, M.Tech, MBA, MCA.

Our students are successfully working in the companies like Infosys, TCS, IBM India, Convergys, Aricent Technologies, HCL, Patni Computers, Amdocs, Sasken Communications, Orient Craft, Reliance Group, Vardhman, Accenture, HDFC Bank, Taj Group of Hotels, Axis Bank, Indiamart, Red Tape, Lilliput India, Swaraj Mazda, Apollo Tyres, Groz-Beckert, AMW, IFB, Denso (Haryana), Cadbury Ltd. and various International Companies.

We aim to establish a long term relationship with corporate world so that we remain the major source of providing professionals on a sustained basis. Towards this end, we would be happy to commit to a follow up action that would keep our students relevant to the emerging and ever changing needs of modern corporations.

In partial fulfillment of the requirement of their degree, the students are required to undergo Project Industrial Training for six to eight weeks. We are recommending our student **Mr/Ms.**

Vaibhan Behl Roll. No. 2815091 Course B.Tech C18

Semester 6th

We are confident that with the guidance of your esteemed organization, our students can nurture their skills and develop better understanding of the corporate environment and in turn they will be able to do their bit for the organization also. We shall be glad to provide any further information that you may require

Warm Regards, 

Placement Coordinator
